

## Miley Cyrus: Wrecking Ball

We **Emi** clawed, we chained our **G** hearts in vain

We **D** jumped, never asking **C** why

We kissed, I fell under your spell  
A love no one could deny

Don't you ever say I just walked away  
I will always want you  
I can't live a lie, running for my life  
I will always want you

**R:** I came in like a **G** wrecking ball **D**

I never hit so ha **Emi** rd in love **C**  
All I wanted was to break your walls  
All you ever did was wreck me  
Yeah, you **Emi** wreck me **C**

I put you high up in the sky  
And now, you're not coming down  
It slowly turned, you let me burn  
And now, we're ashes on the ground

Don't you ever say I just walked away  
I will always want you  
I can't live a lie, running for my life  
I will always want you

**R:**

I never meant to start a **Emi** war  
I just wanted you to let me **G** in  
And instead of using f **Hmi** orce  
I guess I should've let you **C** in

I never meant to start a war  
I just wanted you to let me in  
I guess I should've let you in

Don't you ever say I just walked away  
I will always want you
