

# Mulan: I'll Make a Man out of You

**C Am G C G, C, Dm7 G/B**

Let's get down to business to defeat the Huns

**Am G C G, C, Dm7 G/B**

Did they send me daughters when I asked for sons?

**F G**

You're the saddest bunch I ever met

**C F**

But you can bet before we're through

**F F/E F G Am G Am**

Mister, I'll make a man out of you

Tranquil as a forest but on fire within

Once you find your center you are sure to win

You're a spineless, pale, pathetic lot

And you haven't got a clue

Somehow I'll make a man out of you

**Fsus2 G**

I'm never gonna catch my breath

**E Am**

Say good-bye to those who knew me

**G C Fsus2**

Boy, was I a fool in school for cutting gym

**Fsus2 G**

This guy's got 'em scared to death

**E Am**

Hope he doesn't see right through me

**G C F**

Now I really wish that I knew how to swim

**G F G E7 Am**

**R:** Be a man, we must be swift as the coursing River

**F G\* E7 Am**

With all the force of a great typhoon

**F G E7 Am**

With all the strength of a raging fire

**F G Am G Am**

Mysterious as the dark side of the moon

## Capo +1

Time is racing toward us till the Huns arrive

Heed my every order and you might survive

You're unsuited for the rage of war

So pack up, go home, you're through

How could I make a man out of you?
