**E5** My girl, my girl, don't **A** lie to **G** me

Tell me **H** where did you **H/F#** sleep last **E5** night

**E5** In the pines, in the pines

Where the **A** sun don't ever **G** shine

I would **H** shiver the **H/F#** whole night **E5** through

My girl, my girl, where will you go

I'm going where the cold wind blows

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

Her husband, was a hard working man

Just about a mile from here

His head was found in a driving wheel

But his body never was found
