

Owl City: Fireflies

D You would not G believe your eyes
C If ten million fireflies
D Lit up the G world as I fell C asleep
D Cause they fill G the open air
C And leave teardrops everywhere
D You'd think me rude
but I G would just stand C and stare.

R: C I'd like to G make myself D4 believe
That planet C Earth G turns Hmi slowly. C
C It's hard to say that I'd G rather stay
C awake D when I'm Emi asleep,
Cause C everything is G never as it A seems.

Cause I'd get a thousand hugs
From ten thousand lightning bugs
As they tried to teach me how to dance.
A foxtrot above my head,
A sock-hop beneath my bed,
The disco ball is just hanging by a thread.

R:

Leave my door open just a crack. (Please take me away from here.)
Cause I feel like such an insomniac. (Please take me away from here.)
Why do I tire of counting sheep? (Please take me away from here.)
When I'm far too tired to fall asleep
To ten million fireflies.
I'm weird, cause I hate goodbyes
I got misty eyes as they said farewell.
But I'll know where several are
If my dreams get real bizarre
Cause I saved a few and I keep'em in a jar.

R:

...because my dreams are bursting at the seams
