

# Simple Plan: Astronaut

Can anybody <sup>Emi</sup> hear me? <sup>C</sup>

Am I <sup>G</sup> talking to my <sup>D</sup> self?

My mind is running empty

In the search for someone else

Who doesn't look right through me.

It's all just static in my head

Can anybody <sup>C</sup> tell me <sup>Emi</sup> why I'm lonely like a <sup>Ami</sup> satellite? <sup>D</sup>

**R:** <sup>Emi</sup> 'Cause tonight I'm feeling like an <sup>C</sup> astronaut

Sending <sup>Ami</sup> SOS from this <sup>D</sup> tiny box

And I lost all signal when I lifted up

Now I'm stuck out here and the world forgot

Can I <sup>Emi</sup> please <sup>C</sup> come <sup>D</sup> down,

cause I'm <sup>Emi</sup> tired of drifting <sup>C</sup> round and <sup>D</sup> round

Can I <sup>Emi</sup> please <sup>D</sup> come <sup>C</sup> down?

I'm deafened by the silence

Is it something that I've done?

I know that there are millions

I can't be the only one who's so disconnected

It's so different in my head.

Can anybody tell me

why I'm lonely like a satellite?

**R:**

Now I <sup>D</sup> lie awake and scream in a <sup>C</sup> zero gravity,

And it's <sup>D</sup> starting to weigh down on <sup>C</sup> me.

Let's <sup>D</sup> abort this mission now

Can I <sup>Emi</sup> please <sup>D</sup> come <sup>C</sup> down?

So <sup>G</sup> tonight I'm calling all <sup>C</sup> astronauts

Calling <sup>D</sup> lonely people that the world forgot

If you <sup>G</sup> hear my voice come <sup>C</sup> pick me up

Are you <sup>D</sup> out there?

'Cause you're <sup>D</sup> all I've got!

'Cause tonight I'm feeling like an astronaut  
Sending SOS from this tiny box  
And I lost all signal when I lifted up  
Now I'm stuck out here and the world  
forgot

'Cause tonight I'm feeling like an  
astronaut  
Sending SOS from this tiny box  
To the lonely people that the world  
forgot  
Are you out there?  
'Cause you're all I've got!

Can I please come down?  
'Cause I'm tired of drifting round and  
round.

Can I please come down?  
Can I please come down?  
Can I please come down?
