Simple Plan: Astronaut

Can anybody Emi hear me? C

Am I Gtalking to my self?

My mind is running empty
In the search for someone else
Who doesn't look right through me.
It's all just static in my head

Can anybody Ctell me Emi why I'm lonely like a Ami satellite?

R: EmiCause tonight I'm feeling like an Castronaut Sending AmiSOS from this Diny box
And I lost all signal when I lifted up
Now I'm stuck out here and the world forgot
Can I Emiplease Come Ddown,
cause I'm Emitired of drifting Cround and Dround
Can I Emiplease Come Cdown?

I'm deafeaned by the silence
Is it something that I've done?
I know that there are millions
I can't be the only one who's so disconnected
It's so different in my head.
Can anybody tell me
why I'm lonely like a satellite?

R:

Now I Dlie awake and scream in a Czero gravity

And it's Dstarting to weigh down on Cme.

Let's Dabort this mission now

Can I Emi please Dcome Cdown?

So ^Gtonight I'm calling all ^Castronauts

Calling ^Dlonely people that the world forgot

If you ^Ghear my voice come ^Cpick me up

Are you ^Dout there?

'Cause you're ^Dall I've got!

'Cause tonight I'm feeling like an astronaut Sending SOS from this tiny box And I lost all signal when I lifted up Now I'm stuck out here and the world forgot

'Cause tonight I'm feeling like an astronaut
Sending SOS from this tiny box
To the lonely people that the world forgot
Are you out there?
'Cause you're all I've got!

Can I please come down? 'Cause I'm tired of drifting round and round.

Can I please come down? Can I please come down? Can I please come down?
